I wanted to draw everyone in NC's attention to NCDCTA's summer Adult Dressage Camp. It looks like it is going to be a great 3-day weekend in August. Here's the scoop:

The NCDCTA has two great clinicians lined up for a great weekend of learning for you and your horse.

Harriet Peterson of Lynchburg Virginia

USDF Certified Instructor through 4th Level

USDF "Judge

Dawn Jensen of Columbia South Carolina

Graduate Balimo (BALance In Motion) Instructor

Director of Curriculum, Equestrian Education Systems/Balimo

Camp will include dinner on Friday with a lecture on biomechanics and riding, and lessons with both clinicians on Saturday and Sunday, with more lectures possible. Dawn will help riders with a light riding session that addresses the biomechanics of riding and give them exercises to correct their position. Then riders will have a riding session with Harriet to work on their overall dressage performance. Each rider will have at least one private and one semi-private ride with each clinician. Dawn has offered an unmounted warm-up session for the mornings, if riders are interested. Lunch on Saturday and Sunday will be provided.

Cost will be \$200 per  
attendee.  
Auditing is encouraged!
