Cynthia Payne and Cynthia Payne Dressage hosted Bert van Rutten for a two-day clinic at South Lake Farm in Huntersville this weekend. Bert van Rutten was the Chef d'Equipe for the 2004 Dutch Olympic Dressage Team. He is a master of the Grand Prix and has made numerable KWPN stallions. Both he and his father rode for the Dutch Olympic team.

I audited on Sunday and the weather was great, just a little chilly because of the wind. I enjoyed watching all the riders and will try to add my notes to my blog later this week. In the meantime, I'll post these pictures. Unfortunately, I wasn't able to take pictures of all the rides because my camera battery died.
